

Flexible, Ready-to-Use Safety Training

No need to build a program from scratch—Pryor Learning’s OSHA and Workplace Safety Library gives instant access to 400+ courses for General Industry and Construction standards.

Why It Matters

- **Cover key compliance topics:** Hazard Communication, Lockout/Tagout, Bloodborne Pathogens, Fall Protection
- **Train on your schedule:** On-demand courses fit any team and budget
- **Reduce risk:** Keep employees safe and your organization compliant
